## SUMMARY

As a passionate and results-driven **MERN Full Stack Developer**, I specialize in building scalable web applications that deliver exceptional user experiences. Proficient in **MongoDB, Express.js, React.js, and Node.js**, I strive to create seamless user experiences through responsive design and efficient API integration. My commitment to clean code and optimal performance drives my work, and I thrive in collaborative environments with cross-functional teams to achieve project objectives. I am continuously seeking opportunities to enhance my skills and contribute to innovative solutions.
